IDMS "Modern Pharmacotherapy in Urology"
Varna, Bulgaria, 04 - 07 May, 2006

Publications:

Starting from the 16-th Annual Assembly of IMAB, the official < Journal of IMAB - Annual Proceedings (Scientific Papers) > will be published on-line according to the international rules and regulations for on-line scientific journals. The language for all papers to be included for publications will be only English. We are in a working procedure to obtain impact factor of the Journal.

All papers, presented at the IMAB+ISC Meeting in Varna, will be accepted for review (by three independent referees) and only then can be directed to publication in the Journal.

Full details, instructions and information on the new format of the Journal of IMAB will be available during the Meeting in Varna: there will be a special instruction list together with the registration and congress materials in your bags, in addition, our Editor and Publisher Mr. G. Peytchinski will be at your disposal.
